A request for a copy of Public Records should be submitted on this form, which has been adopted by the Municipal Clerk as the Custodian of Records. Some records will be immediately available during normal business hours. Some records will require time to compile and to make the copies requested, but will normally be available during normal business hours and within seven (7) business days. If any document or copy which has been requested is not a public record or cannot be provided within the seven (7) business days, you will be provided with a response with that information within seven (7) business days. Some records requested have specific fees or other response times established by statute. There is no fee involved in simply inspecting a document during normal business hours. This request may be filed electronically. In general:

Immediate access is ordinarily available for budgets, bills, vouchers, contracts, including collective negotiations agreements and individual employment contracts, and public employee and overtime information. Minutes of public meetings will be generally available immediately after the minutes have been approved.

Records which are not readily available or which will require a search of records will be made available as soon as possible and the applicant will be provided with an interim report within seven (7) business days indicating the time which will be required to provide the records.

Except as otherwise provided by law or regulation, the fee assessed for the duplication of a printed record shall be: $.05 for letter sized documents or smaller; $.07 for legal sized documents or larger; electronic records are free of charge; $1.00 per disk for CD-ROM/DVD; for a police accident report there is an additional fee when the request is not made in person of $5.00 for the first 3 pages and $1.00 for each additional page, as provided by N.J.S.A. 39:4-131.

Where a request is for a copy in a format other than a photocopy, reasonable efforts will be made to provide the information in the format requested. The cost will be based on the costs of producing the format requested.

Where a legal determination must be made as to whether records are public records as provided by law, the request will be reviewed by the Municipal Attorney.

The term public records generally includes those records determined to be public in accordance with N.J.S.A. 47:1A-1.
