

BODY WORN CAMERAS

The Green Brook Police Department is proud to announce that the department has deployed Safe Fleet Focus X2 Body Worn Cameras (BWC) for all officers, effective May 12, 2022.

It is the policy of the Green Brook Police Department to utilize Body Worn Cameras and Mobile Video Recorders to assist agency personnel in the performance of their duties, by providing an accurate and unbiased recorded account of an incident. The images below depict how these cameras are worn by uniformed officers and the camera itself.
